SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The Commissioner of Patents and Trademarks

Washington, D. C. 20231

Sir:

In recognition of the obligations imposed upon applicants and their attorneys and assigns under 37 CFR 1.56, the accompanying list identifies references related to the invention described in the above-captioned application. These references were discovered in regard to a corresponding Japanese application.

The references listed on the attached PTO Forms 1449 are cited for consideration by the Patent and Trademark Office, but no representation is hereby made that the references are "prior art" within the meaning of 35 U.S.C. 102 or 103. Moreover, the explanation following below is not to be taken as a representation that the references have been thoroughly reviewed. In particular, no representation as to the relative relevance of any portion of a reference is intended.
